

ADESSO

ATTRACTIVE, FUNCTIONAL AND VERY STURDY

Adesso combines elegant lines with the strength of professional porcelain. This range from Cosy&Trendy for Professionals is made from aluminium-reinforced porcelain, making the plates exceptionally resistant to shocks, chips and scratches. The subtle ivory tone and slightly raised rim give each piece a stylish look and a firm grip.

MADE FOR INTENSIVE USE

Adesso tableware is designed to perform every day in a busy catering environment. Thanks to the hard glaze, the robust porcelain core and the efficient stackability, these plates are both practical and durable.

ELEGANCE WITH A WARM ACCENT

The soft ivory colour gives the range a warm, inviting look that blends effortlessly with any interior. Not a harsh white, but a refined shade that shows off dishes to their best advantage.

MORE THAN JUST PLATES

In addition to the versatile coupe-shaped plates, Adesso also includes other smart elements, such as an elegant milk jug – ideal for breakfast service or with coffee.
