PEARLY ELEGANCE ON THE TABLE

The Akoya tableware range is inspired by the organic beauty of pearls. Like these precious pearls, the tableware sparkles with flowing shapes and a mother-of-pearl glaze in overflowing shades from off-white to warm blue. The vibrant reactive glazing technique creates unique, dynamic colour effects on each piece, giving the collection its own character. The delicate dark rim contrasts beautifully with the warm tones of the tableware. Made of high-quality porcelain, this range is perfect for everyday and professional use.

FLOWING SHAPES AND MOTHER-OF-PEARL

The Akoya collection is characterised by its organic shapes. The irregular edges and flowing lines create a unique focal point on each table for a sophisticated yet playful look. The beautiful pearlescent glaze with transitions from off-white to warm blue and a warm grey interior, make each piece an elegant and eye-catching appearance.

READY FOR INTENSIVE USE

Made of high-quality porcelain, the Akoya dinnerware is not only beautiful, but also durable and sturdy enough for daily and intensive professional use. The sturdy quality of the pieces ensures a solid feel in the hand. Each piece is designed to withstand frequent use and goes trouble-free in the oven and dishwasher.

VERSATILE RANGE FOR ANY OCCASION

The Akoya series offers a wide range of pieces, from tall presentation plates and bowls to a charming teapot and cups in different sizes with matching saucers. Each piece is designed with an eye for functionality and aesthetics, so the dinnerware is both practical and stylish.
