

AMUSE

CREATES ATMOSPHERE ON ANY TABLE

The Amuse range is an ode to ambience, emotion and cosiness. The Antwerp mother and daughter collective, Spots&Speckles, lovingly created this extensive range of dinnerware for appetisers by hand. It is a perfect addition to the Cosy&Trendy Crafts range that offers crafted creations a wider platform. Each shape is well considered and intended for pleasurable occasions. The playful glaze and partly rough surfaces give the functional shapes a crafted feel.

The delightful dishes, pots, plates and serving platters bring people together to share special occasions at the table. Their neutral, quartz colour is perfect for a tempting presentation of delicious appetisers, and they combine beautifully with other dinnerware.

SEDUCTION YOU CAN FEEL

These items invite you to touch them. The dynamic glaze contrasts seductively with rougher surfaces and stimulates the senses. The handmade character evokes a sense of calm and relaxed enjoyment.

DIVIDE AND CONQUER

The Amuse dishes have been made for especially for cosy, shared occasions. Delicious tapas, sushi with soy sauce, crispy vegetables with a dip, finger food, and so on. The striking combined dishes and serving platters are perfect for sharing food.

16-PIECE APPETISER SET

Amuse is a very extensive range of traditionally designed dinnerware. Combine dishes, plates, cups, pots and platters to your heart's content for cosy occasions together.
