AUTHENTIC BRASSERIE FEEL ON THE TABLE

Bistro is the new complete dinnerware line from Cosy&Trendy that brings to life the warm charm of a cozy bistro. From robust plates and mugs made of basalt to sturdy cutlery in stainless steel with a stonewash finish, each piece exudes nostalgia. The Bistro series is designed for both the home chef and the professional hospitality operator who loves real quality and a touch of retro. The stylish yet approachable look perfectly suits lively table conversations, cheerful get-togethers and spontaneous dinners with family and friends. Very sturdy and break-resistant for everyday use, but also elegant for special occasions: Bistro sets the tone for casual get-togethers, where conviviality and solidity go hand in hand.

STURDY DINNERWARE IN SOFT COLOURS

The plates, bowls and mugs of the Bistro collection are made of high-quality basalt stoneware. This makes it ideal for demanding professional environments. The warm, inviting hues are ideal for serving hearty soups, fresh salads or richly filled casseroles. The soft colours exude the subtle nostalgia of authentic bistros and invite nice long dinners and sharing of stories and memories.

RUGGED CUTLERY WITH STONEWASH FINISH

Add flair to the table with the cutlery that gives Bistro its signature look. Made of high-quality 18/10 stainless steel and featuring a unique stonewash finish, this cutlery is both bold and elegant. The subtle texture in the handle offers a firm grip and gives a wonderfully weathered look. Thus, this cutlery adds character and authenticity to any setting.

COMPLETE ASSORTMENT FOR A COSY ATMOSPHERE

Bistro is more than just dinnerware or cutlery: it is an overall concept that creates a harmonious unity on the table. Plates, bowls, mugs, forks, spoons and knives - all parts fit together seamlessly and form an inviting basis for all your culinary creations. This allows you to easily evoke a characterful bistro atmosphere, where guests or customers immediately feel at home.
