INNOVATIVE DESIGN FOR PURE COOKING DELIGHT

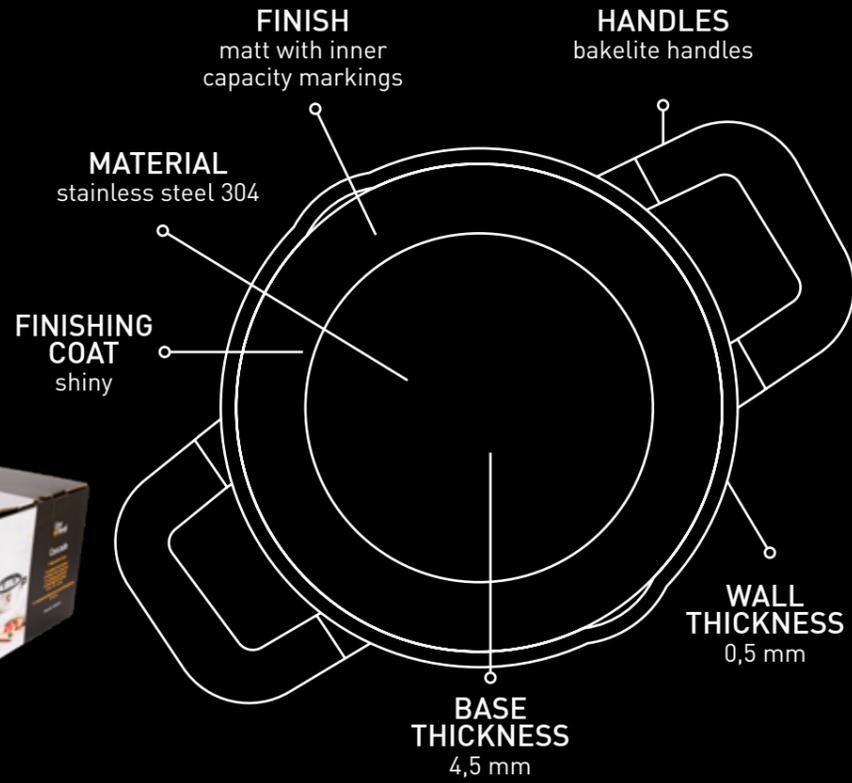

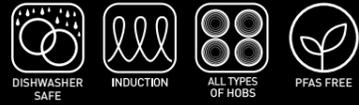

Cosy&Trendy's Cascade series seamlessly blends streamlined aesthetics with everyday convenience. Each piece is crafted from 18/10 stainless steel, featuring an encapsulated base with an aluminum core for fast, even heating and reliable performance.

The set comprises a 16 cm saucepan and three cooking pots (16, 20, and 24 cm), all designed with stay-cool, heat-resistant handles for safe, comfortable handling. Smart lids boast an integrated drain function, replacing the need for a colander, while strategically placed steam holes help prevent boil-overs. A recessed area at the top of the lid offers a handy spot for your spoon, keeping counters neat and organized. Inside each pot, volume markings make measuring a breeze, and the durable stainless steel construction ensures the set retains its gleaming finish over time.

Dishwasher-safe and compatible with all stovetops, Cascade is your ticket to effortless cooking. Just avoid the oven due to the synthetic handles.
