CERAPRO

SUSTAINABLE COOKING MEETS ELEGANT STYLE

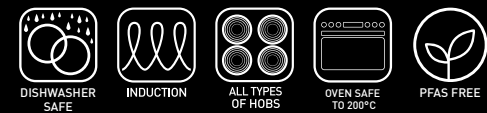

Cosy&Trendy's Cerapro range redefines eco-friendly cooking without compromising on aesthetics. Each pan is crafted from 100% recycled, forged aluminum, with an induction base that spans the full diameter for efficient heat distribution. The PFAS-free ceramic coating, reinforced with titanium, provides exceptional non-stick performance, all while making cleanup a breeze.

Delight in versatile cooking experiences: sear meat, grill fish, sauté vegetables or whip up the perfect sauce - Cerapro handles it all with ease. Its chic terracotta and clay tones bring warmth to both kitchen and table, while the glass lid's steam outlet preserves flavor and aroma.

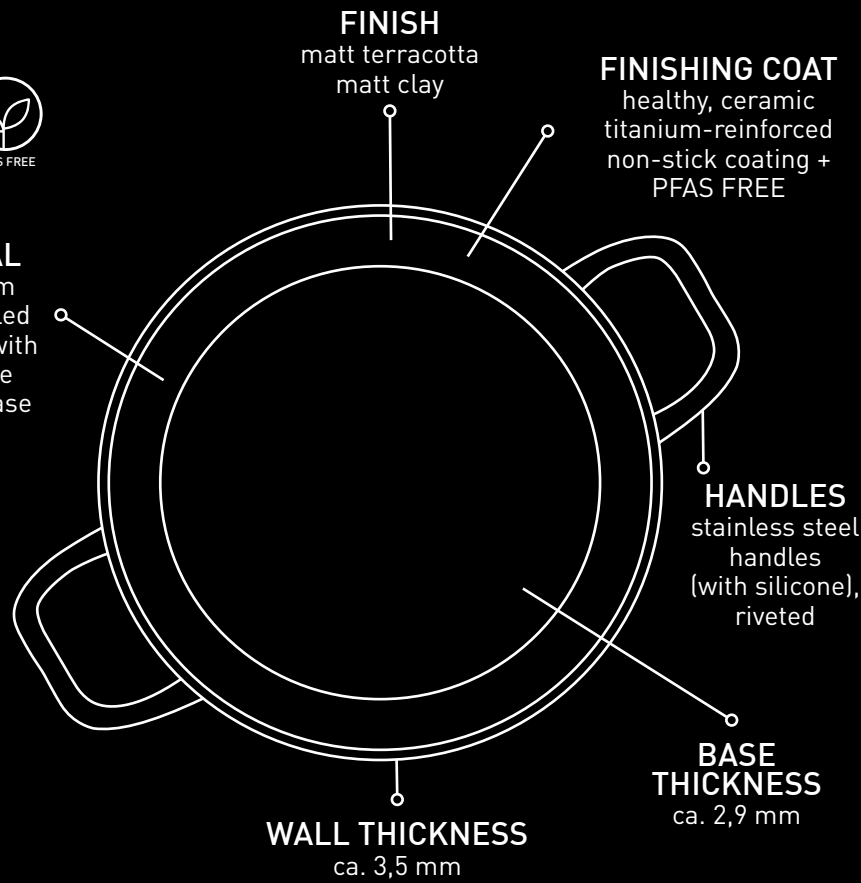

Oven-safe up to 200°C and complete with silicone-coated handles for a comfortable grip, Cerapro blends modern design with sustainable ingenuity.
