SUSTAINABLE COOKING IN STYLE

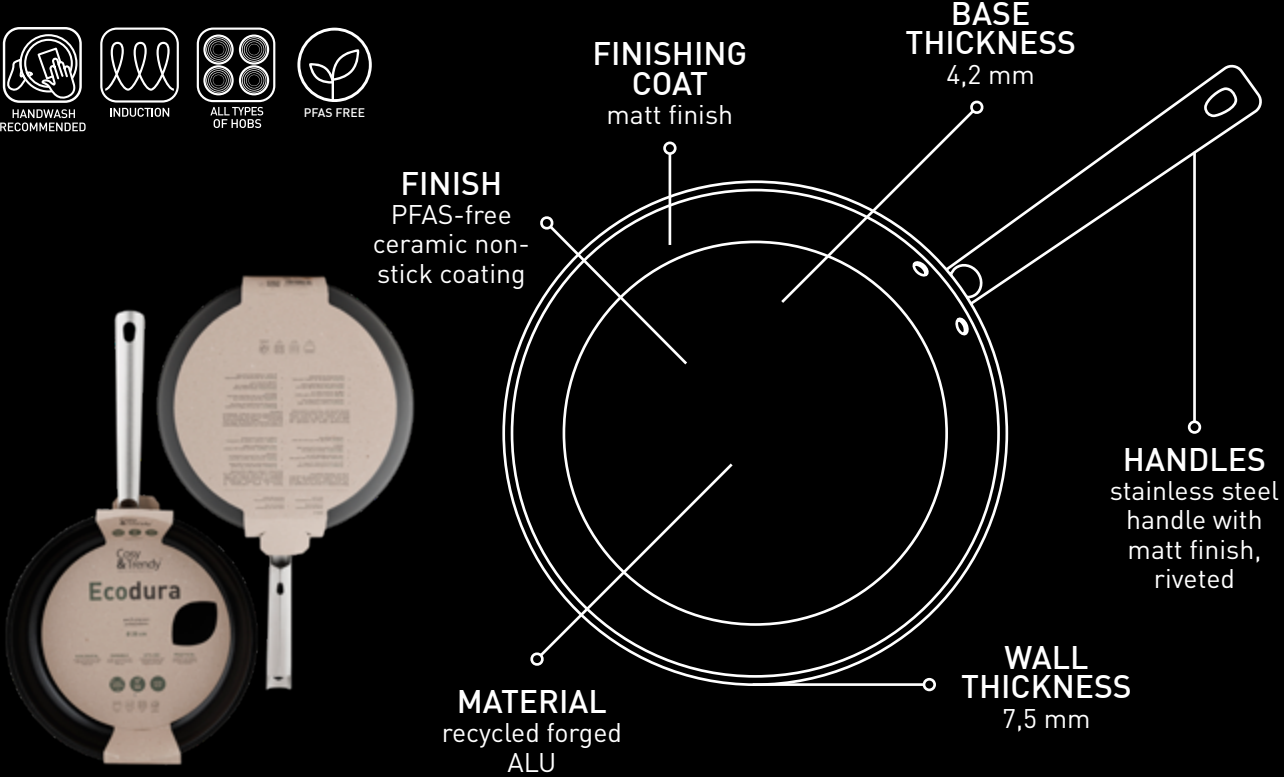

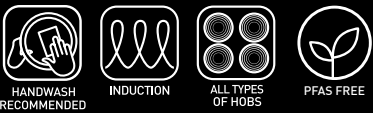

Cosy&Trendy's Ecodura range marries sustainability and style, forging each piece from 100% recycled aluminum. Perfect for those seeking an eco-friendly cooking solution, these pans heat up quickly and evenly, while a PFAS-free Greblon ceramic coating ensures worry-free cooking and effortless cleaning.

Each design features elegant, sandblasted handles that complement the matt black exterior, culminating in a timeless and sophisticated look. Thanks to a robust impact rim, Ecodura withstands daily use without losing its shape or function. The series even includes a handy fish frying pan with two side handles, making it easy to move from stovetop to oven.

Compatible with all stoves and oven-safe, Ecodura is a durable and responsible choice for any kitchen. For longer life, we recommend hand-washing.
