CULINARY CLASS MEETS LUXURIOUS DESIGN

Cosy&Trendy's Elegance pan set combines style, functionality and durability in a gorgeous retro matt finish. Choose from four on-trend colors - pink, green, blue anthracite or black - to elevate your kitchen's look. Crafted from eco-friendly recycled aluminum, each pan features a thick forged base for rapid, even heat distribution, perfect for both quick meals and slow-simmering dishes.

The PFAS-free ceramic non-stick coating ensures healthier cooking with minimal oil, while making cleanup a breeze. Completing the stylish design are ergonomic stainless-steel handles finished in a champagne-colored PVD, offering a comfortable grip that feels professional and refined. Suitable for all heat sources, including induction, Elegance is the perfect choice for any passionate home cook. For maximum longevity, hand wash is recommended. Experience a touch of culinary class with Elegance.
