PERFECT STEWS EVERY TIME

Cosy&Trendy's Fontestic cast-iron collection is designed for cooks who crave both functionality and style. Each pan boasts sturdy 4 mm cast-iron walls that excel at heat retention, ensuring your stews and casseroles cook evenly without burning. An enamel finish inside prevents sticking, while the unique droplet-pattern lid continually returns moisture to your food, keeping every bite tender and flavorful.

From stovetop to oven (up to 200°C) and even the grill, Fontestic pans handle it all with ease. Large, ergonomic handles make them a cinch to move and their sophisticated Belgian design will impress at any dinner table.

Available in four stunning colors- Green Heron, Rust, Traditional Red and Amber Gold - these pans are built to last, backed by a 25-year factory warranty. Rounding out the series are an ultra-handly grill pan for perfect sear marks and a complete cast-iron fondue set for cozy gatherings.
