SUMMERTIME TABLEWARE FOR CHEERFUL SNACKS

Copa quickly creates atmosphere with a playful combination of colourful pots and handy serving boards. The porcelain bowls and dishes fit perfectly into the recesses of the bamboo boards, forming a practical and stylish serving set.

MIX, MATCH AND SERVE

The Copa elements combine functionality with summer flair. The porcelain pots and bowls bring colour to the table, while the handy boards ensure smooth service. A fun way to surprise your guests at a spontaneous drinks party or cosy garden party.

SMART DESIGN, STURDY IN USE

The bamboo serving boards are beautifully and thoughtfully designed. The concentric recesses keep both the bowls (Ø11 cm) and the dishes (Ø10.5 cm) stable in place – handy when serving tapas, dips or snacks. Choose from two shapes: an elongated, double-sided board with a handle, or the rounded triangular board with non-slip feet.
