

ELEMENTS

BRING A FESTIVE ATMOSPHERE TO THE TABLE.

Immerse yourself in a world of cosiness with the Elements porcelain dinnerware. The warm earth tones exude a nostalgic atmosphere, while the unique spherical shapes add a modern and oriental touch. Each piece in this extensive range is expertly crafted from quality porcelain with beautiful contrasting colour combinations. From generous cups to a range of plates, bowls and saucers. Available in Mineral, Mustard and Maroon colours with a cheerful speck.

CHEERFUL SHAPES

The Elements dinnerware offers a playful variety of shapes that enliven any table setting. Enjoy cosy spherical cups and mugs, a matching milk jug, and the attractive bulbous bowls and plates. Also included are cute aperitif plates in two pieces, cute mini oven pots and pans for an attractive aperitif. Each piece is designed to be both functional and decorative.

COSY DEEP-WARM COLOURS

The warm colours of the Elements dinnerware bring together a touch of retro and modernity. The brownish-red Maroon evokes the 70s with a fresh twist, while Mineral with its striking metallic grey hue beautifully reflects the light. Mustard with its old-school mustard colour conjures instant cosiness on the table and its combination with a red-brown interior creates a harmonious and inviting look.

EXTENSIVE DINNERWARE

The Elements dinnerware is a complete collection that meets all your needs. It includes matching porcelain plates, bowls, bowls, dishes, aperitif pots, cups, mugs, teapots, milk jugs, and espresso cups. The three colours can be beautifully combined for an even wider choice, allowing everyone to find their favourite and making every meal a feast.
