MODERN LUXURY WITH AN ARTISAN TOUCH

Bring sophisticated elegance to your table with the Ellipse tableware range. Made of durable porcelain, this tableware combines a chic matte black look with a slightly rougher feel. The modern design gives a luxurious look that stands out for its subtle artisanal charm. The Ellipse is restrained and fresh and combines very well for a variety of occasions. The combination of the robust, yet lightweight design makes this not only visually appealing, but also highly functional for both everyday use and special occasions.
