Cosy & Trendy's Full Black range is a real eyecatcher in any contemporary kitchen. The matte black look gives this range an unrivalled minimalist feel. The pans are made of aluminium that conducts heat really well. And the PFAS-free, ceramic anti-stick layer guarantees a sublime result. But that's not all. The pans are light and has sleek, with comfortable Bakelite handles for optimum cooking comfort. Use the Full Black range on any hob, including induction. And these pots and pans are dishwasher safe.

FULL BLACK

The Full Black range is aptly named. Everything you see is matte black. There are no shiny aluminium or stainless-steel parts or connectors. Even the lids are black. A unique coating formula ensures that the black colour is perfectly protected all over and can resist the cooking heat. The minimalist look is a real eye-catcher.

SLEEK DESIGN

The entire range exudes contemporary minimalism. In addition to the sleek black colour, each line has been reduced to its absolute essence. There are no frills or superfluous curves, from the heat-resistant Bakelite handle to the lid with 3 steam outlets.

CERAMIC COATING

Cooking healthy meals is best done with special pans. The high-quality, ceramic anti-stick layer is free of toxic PFAS and lets you fry an egg, vegetables or meat with complete peace of mind.
