

LILY WHITE

SUBTLE LUXURY WITH REFINED LINES

The Lily tableware brings a unique blend of modern elegance and subtle playfulness to your table. The wide range of plates, cups, saucers, bowls, and dishes is inspired by the soft shapes and hues of a lily petal. This tableware, in soothing white with fine dark green accents, exudes luxury, refinement, and modern simplicity. The exterior of each piece features a distinctive grainy texture, creating an intriguing contrast with the smooth, lightly speckled interior.

LUXURIOUS DESIGN WITH PLAYFUL DETAILS

The Lily tableware has a sleek, modern look, complemented by playful details that give it a special charm. The large flat surfaces with slightly raised edges invite you to enjoy the simplicity and luxury of the tableware. Subtle organic lines lend each piece a natural, relaxed appearance, while the generous plate wells create a light and airy ambiance on the table.

UNIQUE TEXTURE AND ATTRACTIVE FINISH

The Lily tableware stands out with its combination of a grainy exterior and a soft, calming interior finish. The light green accent lines along the edges provide a restrained yet refreshing character to each piece. The organic shapes and spacious plate wells offer a modern yet subtly handcrafted feel. Small playful details add a cheerful touch to the otherwise clean and elegant design.

WIDE AND VERSATILE RANGE

The Lily tableware offers a broad selection of items, including flat and deep plates, dessert plates, saucers, cups, bowls, and dishes. This extensive range makes the tableware ideal for any occasion, from formal dinners to casual breakfasts. The modern shapes convey a sense of luxury, openness, and refinement for every setting.
