MERIO

Elegant in shape and finish

From large presentation plates to small espresso cups - Merio is a complete line for catering or home

Merio by Cosy & Trendy brings together sophistication and character in a subtly striking tableware. The coupe shape combined with the matt glaze and organic spiral structure gives each piece a light, almost silvery sheen. The soft colour nuances, fine rim and artisanal-looking relief make Merio a festive tableware that feels both modern and warm.

BOUQUET

Vintage charm in a modern design

Bouquet combines British floral nostalgia with modern functionality

The Bouquet tableware collection offers a fresh nod to the past. With its porcelain base, cheerful floral motifs and subtle moulded relief, this tableware is reminiscent of classic English porcelain, but with a contemporary twist. Not exaggerated or ostentatious, but playful and elegant. Ideal for those who love character on the table without resorting to clichés.

ZERO

High-tech pans with zero compromise

Zero is designed for daily use, even at high temperatures

Zero is a new generation of frying pans that combines technology, safety and design. Thanks to the completely PFAS-free ZERO surface treatment, this range offers natural non-stick properties without unhealthy coatings. The combination of nano-etching, titanium-based PVD technology and a 3-layer full-body construction makes Zero a reliable choice for those who want to cook healthily, effortlessly and stylishly. Available in Ø 20, 24 and 28 cm.

Hybrid pan for ultimate cooking pleasure

HEXAPRO

The HexaPro pan range goes all-in with modern technology for an unparalleled cooking experience. They feature an innovative hybrid coating that combines durability with ease of use. A raised pattern in stainless steel provides a sturdy, durable base while the lower-lying, PFAS-free ceramic non-stick layer protects against sticking. This unique combination offers the best of both worlds: the cooking convenience of a non-stick pan and the durability of stainless steel. Ideal for perfect steaks, crispy potatoes or soft eggs. Available in Ø 20, 24, 28 and a 28 cm wok.

Thanks to its unique 3-layer construction and innovative hybrid non-stick coating, this pan delivers top performance in any kitchen. And with the handy handle with click! system, you save space without sacrificing comfort.

Textile

D'NIM

Soft comfort with a jeans look

Bring some cool denim style to your kitchen with D'nim: the textile collection that looks like your favourite jeans but feels like soft, breathable cotton. Made from a smart blend of cotton and polyester for extra durability, less creasing and faster drying time. With signature yellow stitching, handy hanging loops and a robust look, you'll add character and comfort to your kitchen.

STOFF

*High-quality cotton
and refined design*

The Stoff kitchen textile collection is made from 100% cotton with a chambray weave, known for its denim-like appearance but with the softness and breathability of cotton. This weaving technique creates a smooth texture that not only offers comfort but also has a distinctive fresh look.
