GENEROUS BOWLS WITH A SUBTLE LUXURY

Bring the enchantment of the ocean to your table with the Mauro presentation bowls. This set of three bowls exudes natural opulence with the deep shades of mother-of-pearl. The vibrant colours of turquoise and tropical seas, combined with the organic design, give your table a unique look. The edges have a subtle grainy pattern reminiscent of a coral reef, while the spacious shapes are perfect for presenting seafood, fish or other dishes. The bowls fit together nicely for easy storage.

DESIGN WITH A LUXURIOUS FEEL

The Mauro bowls are designed with an organic shape that takes inspiration from the ocean. The vibrant pearl shades and rich glaze create a sense of luxury and sophistication. The overhanging rim gives each piece an artisanal touch, perfect for those looking for a unique dinnerware.

PERFECT PRESENTATION OF SEAFOOD

With their generous shapes, unusual textured interior and beautiful matt glaze, these bowls are ideal for presenting seafood, fish or other dishes. The playful, organic shapes and natural colours add life to any culinary presentation.

CONVENIENT AND SPACE-SAVING

The three different sizes of the Mauro bowls fit together nicely, making them easy to store. Despite their striking and robust appearance, the bowls remain practical and space-saving, ideal for everyday use and special occasions.
