

MOON

ELEGANCE IN FESTIVE WHITE

Moon is a tableware line in high-quality porcelain that combines elegance with sturdiness. With clear shapes, subtle curves and a fresh white colour, Moon is a perfect passe-partout: stylish and functional, without ever becoming boring. This series feels just as at home on a festive catering table as it does in a contemporary kitchen.

COMPLETE IN EVERY DETAIL

From breakfast to dessert, from egg cup to sugar bowl: Moon is a particularly complete range. Each piece is thoughtfully designed and fits seamlessly with the rest. A tableware line that brings tranquillity to the table and offers freedom in combination.

MINIMALIST DESIGN, MAXIMUM EFFECT

Moon opts for simplicity with a strong design language: no superfluous lines, just pure elegance. The finely finished pieces are made for everyday use and the large flat plates (up to 32 cm) are perfect for eye-catching presentations or as serving dishes. Beautiful in their simplicity – and therefore so versatile.

SUITABLE FOR ANY SETTING

Moon is made of strong porcelain that can take a beating – ideal for intensive use in the hospitality industry, but also perfect for those who want to add a refined touch to their table at home. Dishwasher and microwave safe: beautiful and practical.
