FISH TABLEWARE WITH A PLAYFUL TWIST

The Pez service brings the charm of the sea straight to your table. Inspired by a cheerful, stylised fish shape, this porcelain collection consists of one plate and three bowls, perfect for serving a variety of fish dishes. The combination of a white interior and a deep blue textured outer rim creates a beautiful contrast reminiscent of the scales of a fish.

PLAYFUL SHAPE AND PRACTICAL DESIGN

With handles in the shape of cheerful fish, the Pez tableware offers not only stylish presentation but also ease of use. The bowls and platters are ideal for serving, for example, a bouillabaisse, tasty greens or appetisers and make any meal a visual feast.

QUALITY AND VERSATILITY

Made of high-quality porcelain, the Pez bowls can take a beating. This makes the tableware suitable for carefree serving of cold and hot dishes. They can go in the dishwasher and are therefore clean again quickly after use. In the cupboard, the different bowls also stack conveniently together.

TACTILE DETAILS WITH A HINT OF COLOUR

The textured blue fish shapes give the tableware a tactile charm, as if the dishes were covered in scales. The deep blue, almost indigo accents create a maritime atmosphere, while the white interior elegantly highlights the dishes.
