

TONATI

ROUGH ELEGANCE IN MATTE BLACK

Tonati is a striking tableware line within Proof, specially designed for the hospitality industry, catering and professional kitchens. The matt anthracite and subtle basalt look give every dish a chic and modern appearance. Made from high-quality porcelain, lightweight and easily stackable – perfect for intensive use.

ROUGH YET REFINED

The matte glaze and radial relief create a unique texture that beautifully catches the light. The central, flat part of the plate ensures practical use, while the raised rim and rough finish create a distinctive look.

SURPRISINGLY LIGHT

Tonati is designed with the professional user in mind: the porcelain is robust but surprisingly light. This makes the tableware very handy during busy services, without compromising on strength and durability.

COMPLETE AND PRACTICAL

The range consists of 15 pieces, from generous 33 cm plates to espresso cups and saucers. Everything you need for a complete table presentation. All pieces are dishwasher safe and stackable, so they fit perfectly into a professional environment, both visually and practically.
